This form simply indicates your interest in registering you child at Edelweiss. When a space becomes available, the applicant will be contacted to register your child with the appropriate registration forms. Positioning on the waitlist is by the date received, as children age they are automatically moved to the next age group list, maintaining their waitlist date sequence. Edelweiss makes every effort to place children, being on a waitlist does not guarantee placement. You will only be notified if we are able to offer your child a placement.
