<p>You will be notified 10 months in advance of your child's start date by email to come and register and choose a class time. Adding your name to the waitlist does not guarantee a placement for your child. It depends how soon in advance you go on the waitlist. The office can give you an estimate.</p>	
<p>I agree to add my child's name to the waitlist at Edelweiss Preparatory School and will make a \$50 payment to do so. I understand that the fee is deducted from my registration fee when I register but it is not refundable if I do not register.</p>
